

Le Gilda Club presents Henri's & Friends

INVITATION TO BRANDS | Updated 6 October 2026

A weekend in central Luxembourg

23-25 October 2026. 19 Boulevard Franklin Delano Roosevelt, opposite the Golden Lady. A spacious venue with indoor, covered outdoor and open terrace areas.

Two hosts, one shared experience

Le Gilda Club organises social events in Luxembourg and has built its community over several years. Clothing brand Henri's is the main collaborating brand, joined by a selection of independent guest brands. The guest line-up is being finalised.

A community to connect with

Le Gilda Club can reach more than 2,000 people through WhatsApp, Instagram and its wider community channels. We will use these channels to introduce the pop-up and participating brands. This is communication reach, not a forecast of attendance.

The weekend

Friday: discover the brands and meet their people. Saturday: pop-up during the day and a DJ session in the evening. Sunday: one more opportunity to browse and enjoy the venue. Bar provided by Scott's. A food offering is being arranged. Daily opening hours will follow.

What participation offers

An allocated space across the three days, pre-event promotion and a coordinated setting with music, a bar and social spaces. Your proposed space and the full package will be shared before confirmation.

Participation fee

The fee is being finalised based on the event budget and number of participating brands, with the aim of keeping participation accessible. The price and full terms will be shared before you commit.

Tell us about your brand

Send your profile, product category, availability, approximate space needs and whether your team can attend. Sales and staffing arrangements will be agreed before confirmation; consignment is not an included service. Expressing interest does not commit you to taking part.
